PRAY

Jesus, our Living Water, you tell us that we have made us to crave, to desire the water that you provide. It is not a temporal solution to the thirst of our souls, but an eternal one. You give us yourself. You are the true and living water, you are life and breath and peace. Everything we need comes from your hand. Lord, I pray where we are parched in our souls, that today we will be filled full to overflowing with your water that never runs dry. In your name Jesus, we pray, Amen!
